*Clamp Expert
Not Just For Attraction*

Shanghai Qinkai Industrial Co. Ltd.
Registered capital to be ten million yuan.
Is a professional manufacturer of
electrical , merchanical & pipe
support system. Products are widely
used in engineering construction, thermal
power, nuclear power and other
industries. Committed to serving the
major domestic and foreign well-known
customers. Foreign customers are mainly
concentrated in Australia, Southeast
Asia, the United States, Pakistan and
other countries. The famous project of
our responsible have Australia airport,
Hongkong subway station, China
Zhejiang three nuclear power station

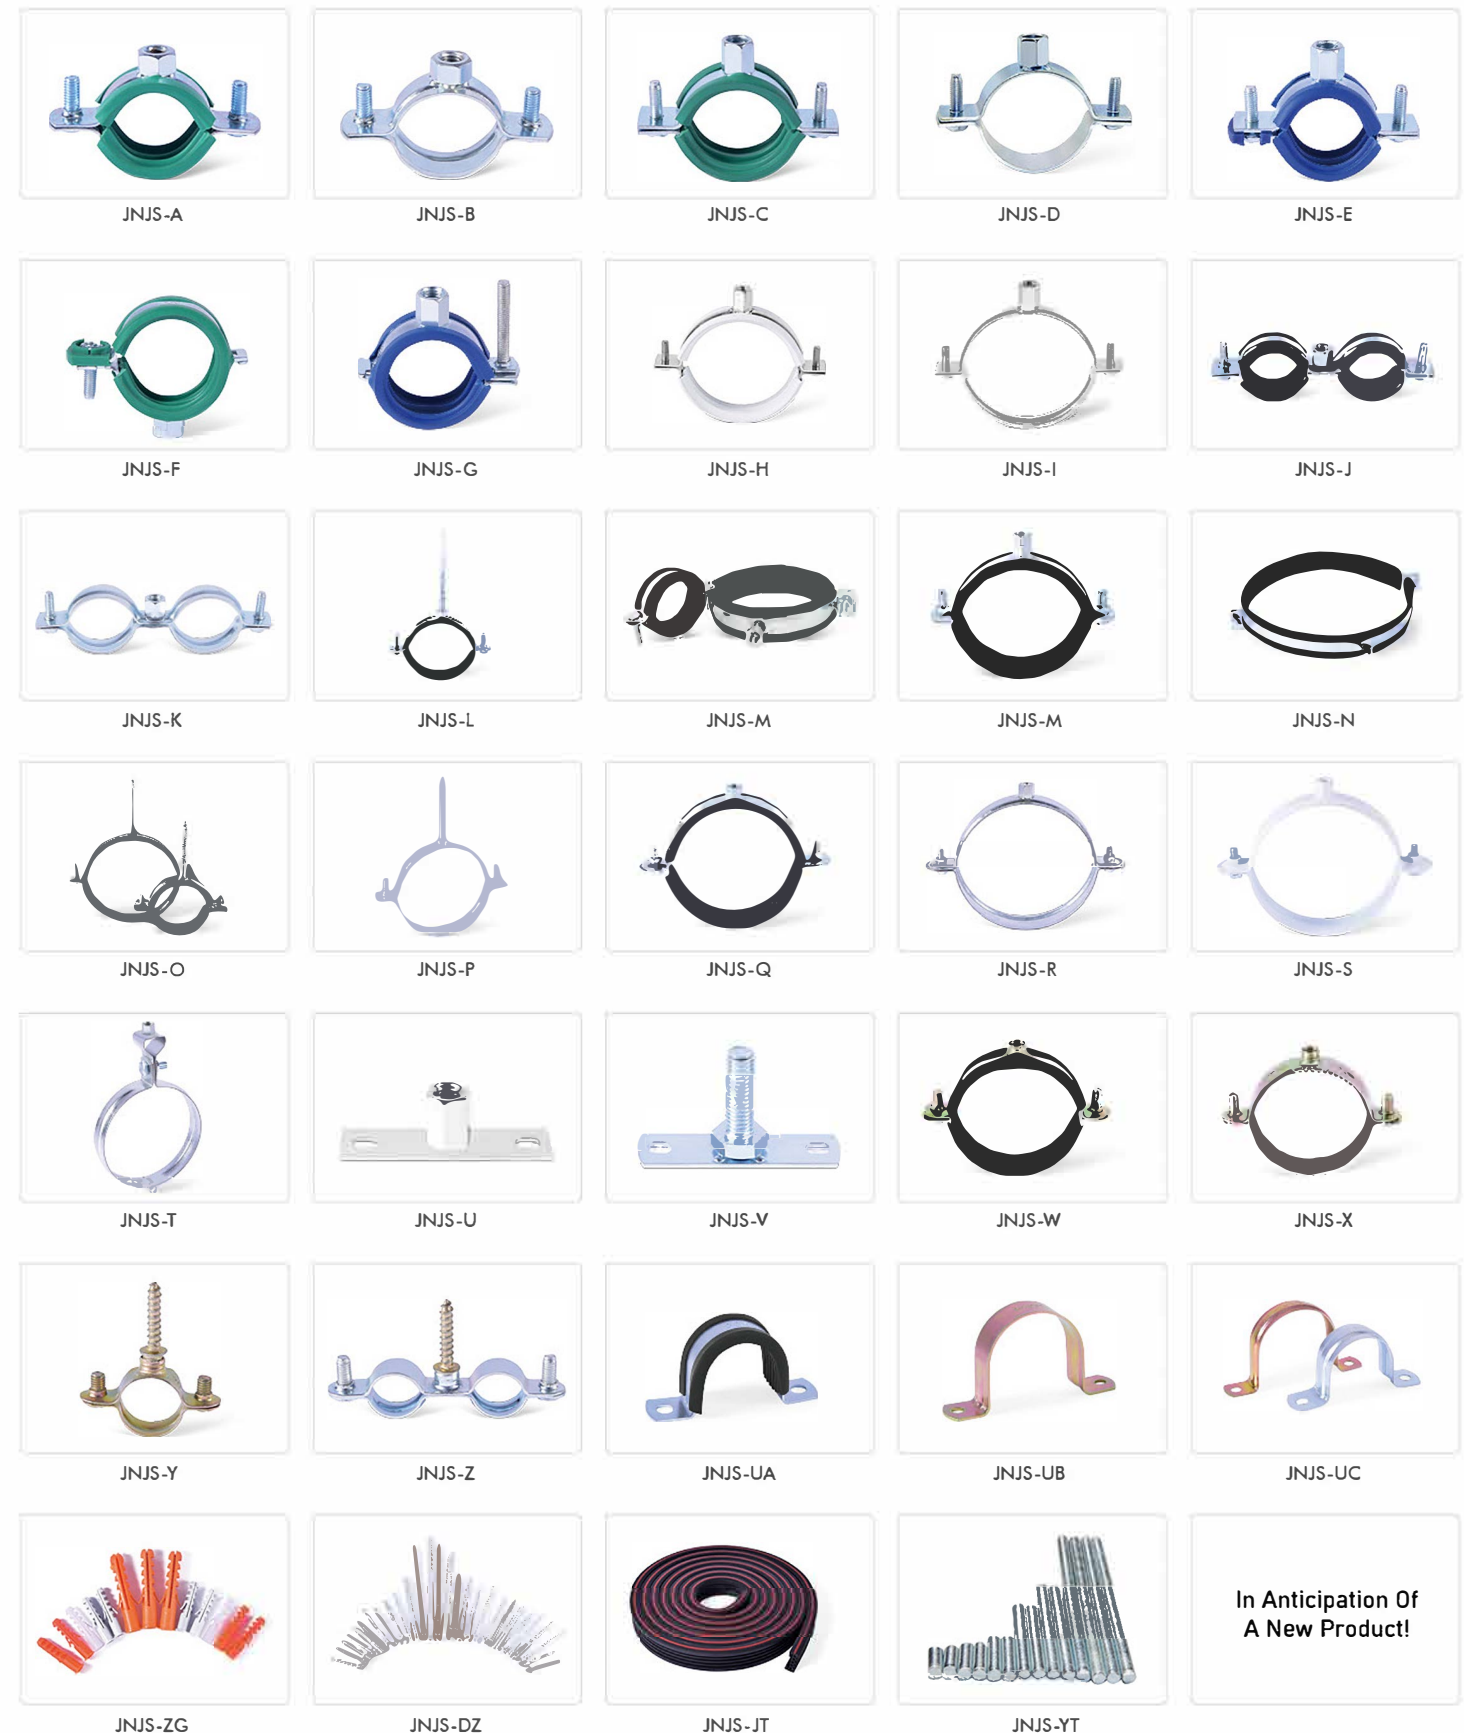

Our range is manufactured using superior quality raw material like and are highly appreciated by our valued clients for its sturdy construction , tensile strength , excellent performance and durability

Our products are widely used in the fields of building , industries and decorations etc , and get recognized by customers in the world wide.

We adhere to the "people-oriented , honest and reliable , pioneering and innovative" operation philosophy , insisting on the tenet of "laying stress on contracts , keeping honest , deliver timely"

Choose us because we are professional , honest and reliable.
Sincerely hope to be a partner of your company !

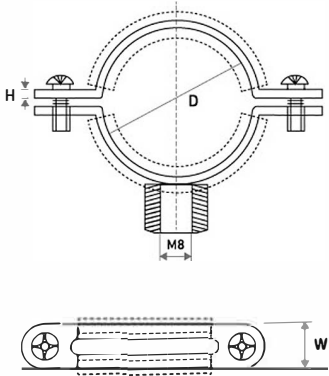

Find us everywhere

In Anticipation Of
A New Product!

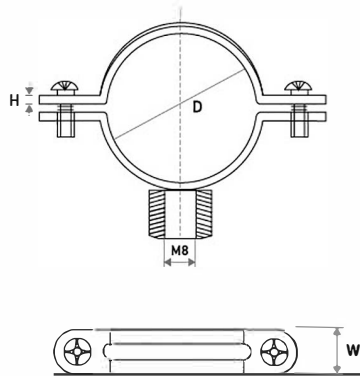

JNJS-A
WELDING TYPE CLAMPS
M8 AND M10 WITH RNBBER

Material: Iron sheet
Nut: M8/M10mm
Merits: Strong long service life

JNJS-B
WELDING TYPE CLAMPS
M8 AND M10 WITHOUT RUBBER

Material: Iron sheet
Nut: M8/M10mm
Merits: Strong long service life
